

**PHOTONICS  
DAYS JENA**

In cooperation with  
Max Planck School of Photonics

**Sept 21-  
22, 2020**

**Join us at the virtual Photonics Days 2020!**

**#CREATE**

innovative solutions in the field of  
applied photonics and

**#CONNECT**

with representatives of the optics  
and photonics industry.

*Application from July 15 to September 15*

## PHOTONICS DAYS JENA

In cooperation with  
Max Planck School of Photonics

### #CREATE

Monday, 21.9.

09:00-09:30

#### Welcoming Words

By Andreas Tünnerman, Director of the  
Fraunhofer IOF

10:00-22:00

#### Lichtwerkstatt-Makeathon

Become active yourself and develop  
solutions for photonics issues.

*Enjoy a creative break from the Makeathon  
and take a look at the parallel program  
offers!*

#### Parallel program on demand

Impulse lectures, project reports, or  
Q&A-sessions

*Virtual Lunch & Coffee Break*

### #CONNECT

Tuesday, 22.9.

08:00-08:30

#### Wake Up & Stretching

09:00-10:00

#### Elevator Pitches for Hot-Stuff-Award of Cluster of Excellence in Photonics

10:00-11:00

#### Pitches Lichtwerkstatt-Makeathon

11:30-12:30

#### Science and Industry Lunch Break

13:00-15:00

#### Career Fair

15:00-15:30

#### *Virtual Coffee Break*

15:30-16:30

#### Keynotes

**Ursula Keller**

Head of Research, ETH Zürich

16:30-17:30

**Stefan Traeger**

Chairman of Executive Board, JENOPTIK

17:30-17:45

#### Closing program
